concept studio

where your **ideas**.....come to **life**.....

★ ideal display frames

Double sided 27" frames with LED light options. High resolution monitors (full HD 1920X1080) with viewing angle 178H/178V. Suitable for all table games. Various finishes available.

Add these to your Concept Studio
Ideal Baccarat, Ideal Dragon Tiger, Ideal Progressives, Ideal Sic Bo and Ideal Fan Tan software to make a great looking casino floor. Or simply buy our frames and use your software.

Comes with single color LED. Available in Black, Gold or any finish made to special order.
